

Dear Parents,

We want to make it unequivocally clear that **Kx2 Music has a strict zero-tolerance policy against bullying in any form**. We do not, and will not, condone any behavior that makes another camper feel unsafe, unwelcome, or distressed.

Bullying can manifest in various ways, including physical, verbal, social, and cyberbullying. Regardless of its form, it undermines the very spirit of our camp community. Every child deserves to feel respected, valued, and empowered to participate fully without fear.

Our staff members are trained to:

- **Actively supervise** campers and be vigilant for any signs of bullying.
- **Intervene immediately** and appropriately when bullying is observed or reported.
- **Educate campers** on the importance of kindness, empathy, and respect for others.
- **Promote a culture** where campers feel comfortable reporting concerns to staff.

Please talk to your children about the importance of treating others with kindness, reporting any bullying they witness or experience, and understanding that our camp is a place where everyone belongs.

If you have any concerns about your child's experience, or if your child reports a bullying incident to you, please do not hesitate to contact us at 203-914-4137 or info@kx2music.com. Your communication is vital in helping us maintain a supportive and secure environment for everyone.

Thank you for entrusting us with your children. We look forward to another fantastic summer of camps!

Sincerely,

The Kx2 Music Team
